

A hand-drawn poster for a performance. At the top, there are seven small candles with flames. Below them, the text "16-19h" is written in a simple, hand-drawn font. Underneath that, the text "@CAN MASDEU" is written, with a decorative border of blue and orange dots around the words "CAN MASDEU". Below this, the text "24 DE MARZO" is written, with the "24" being significantly larger than the other numbers. At the bottom, the text "BARCELONA" is written, with a decorative border of red and blue dots around the word. The entire poster is framed by a thick, hand-drawn yellow border. To the left of the poster, there is a drawing of a hammer with a red handle and a silver head. The background of the poster is white, and the text is drawn in black ink.
